Under **SECTION I – PROPERTY COVERAGES – CONDITIONS, 6. Appraisal** is deleted and replaced with the following:

6. Appraisal.

If you and we agree on the scope of damages involved in the loss, but disagree on the amount of loss, either party may request that the amount of loss be set by appraisal, which request shall be in writing. If the other party agrees to the request for the loss to be set by appraisal, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If the parties cannot agree on the selection of an umpire within 15 days, either party may make a written application to request that the selection be made by a judge of a court having jurisdiction in the state and county where the premises are located, provided that the requesting party must provide to the other party:

- a. Written notice of the intent to file, identifying the specific location and identity of the court not later than 10 days prior to submission of the written application; and
- b. A copy of the written application served on the other party simultaneously with submission to the court.

The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny

the claim. Additionally, the following conditions will apply:

- a. For purposes of appraisal, amount of loss is defined as the cost of repair or replacement of the damaged part of the property;
- b. Request for appraisal may be made up to 180 days after the date of the loss, but may not be made after the requesting party has brought a legal action against the other party relating to the amount of loss;
- c. A person cannot serve as an appraiser or umpire if that person, that person's employer (or any other employee of said employer), or any employee of that person:
 - (1) Has performed any services for either party in connection with the claim involved in the appraisal; or
 - (2) Has a financial interest in the outcome of the claim involved in the appraisal.

Under **SECTION I – PROPERTY COVERAGES – CONDITIONS, 2. Your Duties After Loss**, 2.a. is amended as follows:

- a. Give prompt notice to us or our agent. In addition to your obligation to provide us or our agent with prompt notice of loss, with respect to any claim wherein notice of the claim is reported by you or on your behalf and to us or our agent more than one year after the date of loss, this policy shall provide no coverage for such claims;

Under **SECTION I – PROPERTY COVERAGES – CONDITIONS, 3. Loss Settlement**, b. the following is added:

General contractor fees and charges, including overhead and profit, will only be included in the estimated reasonable replacement costs if it is reasonably likely that the services of a general contractor will be required to manage, supervise and coordinate the completion of complex repairs.

All other policy provisions apply.
